### Grade Seven - JP Vanden Dungen

This student is kind, caring and always willing to help those in need. He has a great understanding of technology and he is very creative. He is always willing to share his computer wizardry with others. Congratulations JP Vanden Dungen!

### Grade Eight - Jaidyn Deleeuw

Jaidyn's huge smile, enthusiasm, and passion for life brighten's everyone's day. Her work ethic and commitment are incredible as she is always well prepared for every class. Whether it is in the classroom or during a sporting event, Jaidyn always has fun trying her best to be successful.

### Grade Nine - Joseph Thiessen

Joseph is a very respectful young man, with a strong desire to learn. In social studies he displays a good understanding of Canadian politics and a strong sense of dutiful citizenship. He is clearly a good friend to those around him and always represents himself well. I'm sure that I can speak for all the staff and students in saying that we really appreciate having you in our school Joseph!

## STUDENT COUNCIL

Student Council has a lot planned for the short month of February! We will be selling a bunch of different goodies for Valentines Day for you to buy for your bestie, your crush, your favorite teacher, or just anyone you want to show some love! We will be selling hugs and kisses chocolates, carnations, roses, Rafiki friendship bracelets and Love Song Serenades! We will be selling these items at lunch starting February 4th up until the 13th. All proceeds will go to our fundraising efforts for the WE foundation. Also, we challenge everyone to dress up in red and pink on Valentines Day, February 14th! Also for the month of love, we will be showcasing a "Who Do You Love" bulletin board. When you want to give a shout out to a good friend, someone who showed a random act of kindness, or just anyone who needs a boost, you can get a paper heart from the office and fill out their name and why they are loved. These hearts will be displayed for the whole month of February! Happy February and stay tuned for some awesome events being planned for the spring!
