## **Katie West**

This is my first year working with Horizon School Division's Family School Liaison Program as a Family Connections worker. As a Family Connections Worker, my goal is to increase collaboration, problem solving and teamwork between schools, our partners and the community to strengthen students and their families, increasing the resiliency and success of all children.

Currently, I work two days a week in Grassy Lake at Chamberlain School and Arden T Litt Centre for Learning and three days in Vauxhall at Horizon MAP School, Vauxhall Elementary School and Vauxhall High School. In my role, I appreciate working with students, parents, staff and community members/organizations through presentations, programs, groups, community events and more.

Outside of work I enjoy spending time with my family and friends. I enjoy sports and like to spend my time playing hockey, snowboarding and skating with friends in the winter. In the summer, I spend a lot of my time swimming and playing soccer. I love the mountains and try to spend as much time as I can hiking and camping. Every other spare minute is spent snuggling my "puppy", Willow. She is a 4 year old Maltese Cross we rescued as a puppy. She loves walks and we spend a lot of time at the dog park on the weekends!

I'm very excited to be a part of the Vauxhall High School team!

## **Haylee Slomp**

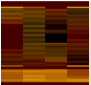

Hello Vauxhall High School students and family members :)

My name is Haylee Slomp and I am a new Child and Youth Care Worker here at the high school. My role is to be unconditionally supportive, empathic, motivating, and encouraging to all students I interact with. I'm so excited to meet and get to know everyone here and to be part of the community!

A little bit about myself, I was born and raised in Lethbridge with my Dad, and moved to Vancouver, BC to attend UBC for my undergraduate degree in Psychology. I moved back to Lethbridge a few weeks ago, and have been spending lots of time with family and friends. I enjoy being active, especially playing basketball, singing and playing the guitar and ukulele. I also enjoy reading, painting, and spending time in nature. I'm so excited to be back home and close to family, as well as to be working in this new role with the school and being a support system to the students and families here! If you need any support or help at all, or just someone to talk to, please don't hesitate to reach out! See you all around :)
