November 2022

28th Annual Fundraiser Online Auction November 15-23rd, 2022

28th ANNUAL FUNDRAISER

Vauxhall High School will be hosting our 28th Annual Fundraiser. The event will be held online via. Twin Auctions from November 15 – 23rd. The fundraiser will include online bidding through the website!

This fundraiser enables us to better meet the needs of our students by enhancing and supporting our programs. Some examples of things we have been able to purchase in the past are: a pressure cooker, baking dishes and mixers for Home Ec., routers, vices and a metal bender for Shop, microwaves and stands for the student common area, and uniforms and equipment for our sports teams. Without the tremendous support of the community and the involvement of our whole student body, this fundraiser would not be possible.

Each student will be asked to bring in **at least one** donation by November 7th.

Check our facebook page, school website or emails for links closer to the date.

**We appreciate all the parent help
and community support!!**

SCHOOL CASH ONLINE

Horizon School Division is using a program called **School Cash Online** that offers parents the convenience of making online payments for their student's fees, school apparel, field trips, yearbook, etc. Of course, we will always accept payment by cash or cheque at the office, or by mail. This is NOT a replacement for the PowerSchool Parent Portal where you can still see your child's marks, assignments and attendance. Should you have any questions in regards to your fees or this new program, please don't hesitate to call Mrs. Stober at the school.

Cell Phone Reminder

Most teachers do not allow cell phones in class, so please be reminded if you have an emergency and need to contact them, please call the office at 403-654-2145.

Volleyball T2 GIRLS

What a growing season we had! The girls worked really hard on their skills and setting up three hits every time. By the end of the season they really came together as a team and showed all their hard work! It was so fun to see each player improve so much and have a love for the game!

-Coach Kelsey

Volleyball T2 GIRLS

The Tier 2 girls had a fun season! These girls were very enthusiastic! We had some fabulous league games, grew by leaps and bounds at our tournament, and finished strong with some hard-fought games at divisionals. These gals learned how to serve consistently, and some surprised themselves by getting 5 in a row. We learned how to block and get three hits! I can't wait to see what this team does next year!

Volleyball T2 Boys

It was a privilege to coach these boys this season! They were a group of coachable kids who worked hard and did their best. There was tremendous growth and improvement in skills and also in sportsmanship and teamwork! Whether it was Triple Ball Chocolate Chip Mania, jerseys swinging after a win, or throwing shoes to get a ceiling ball down, these boys were a ton of fun! With league game wins, 3rd place in our home tournament, and almost advancing to the semi's in Divisionals, the boys fought hard and we are proud of each of them! Thanks for the great season!
