

## PHOTO DAY IS COMING!

**Hello Families! Vauxhall High School photo day is on September 25, 2024.**

**It's almost time for school pictures! We will be at your school soon to capture your child's school portraits. Here are a few things you need to know:**

- 1. We capture your student from mid-torso up, creating a head and shoulders picture. Collars, necklaces, and details around the neckline look great! Please avoid bright neon colors and lots of writing on shirts.**
- 2. A few days before picture day we will start communicating with you about how and when your student's photo will be available to view. These emails will come from [info@primeschoolphotography.com](mailto:info@primeschoolphotography.com) or your school Administration**
- 3. Please review our Parent Planner and our FAQs on our website, they will usually answer any questions you have. If you don't find your answer, please email us at [info@primeschoolphotography.com](mailto:info@primeschoolphotography.com) as we would love to connect with you. Thank you for the opportunity to serve you and your school!**
