STUDENT OF THE MONTH

Grade 7 - Monica Vulcano

We would like to nominate Monica as our Grade 7 student of the month. Monica puts all of her heart into everything she does, whether that be working on schoolwork, on her sports teams, or in drama club. Her positive attitude, energy and humor are a great addition to our school community. She is a friend to all and is someone her teachers and peers alike can count on. Keep up the great work Monica!

Grade 8 - Renata Arizpe

Renata comes to class every day with a smile on her face. She is a kind and friendly person. Her work ethic is excellent, she puts in the time and effort to make sure things are done well. Keep up the good work Renata!

Grade 9 - Maddox Graf

Congratulations Maddox on being named Student of the Month! We are thrilled to recognize Maddox for his outstanding achievements and dedication this month. His hard work in the classroom has been exemplary, consistently striving to reach high goals and setting a great example for his peers. In addition to his academic success, Maddox had an incredible volleyball season, demonstrating his athleticism and teamwork until an unfortunate injury. Despite this setback, he has shown resilience and continues to push forward with determination. It should also be mentioned that Maddox proudly represented our school at the carboard boat races in Lethbridge, showing the same spirit of excellence and commitment that defines him. Maddox we are incredibly proud of everything you've accomplished and we look forward to seeing all the amazing things you'll continue to achieve. Keep up the fantastic work!

STUDENT COUNCIL

Lately, student council has been a great help in running some school-wide pep rallies and assemblies during our advisory time. They have been masters at running friendly competitions, and we would like to give them a shoutout for improving our school spirit and pride.

In November, one of the activities student council hosted was a school-wide Rock, Paper, Scissors tournament where students and staff versed each other in games of Rock, Paper, Scissors. Everyone started with 3 lives (rubber bands), and exchanged them based on the winner of each round. The top 5 students who collected the most rubber bands (winning the most Rock, Paper, Scissors rounds) included Benje, Nathan, Chance, Lincoln, and Fernando. November also saw a "Random Acts of Kindness" bulletin board in honor of World Kindness Day on November 13. Envelopes with ideas of random acts of kindness were posted on a bulletin board, where students could grab an idea, complete it, and either return it or pass it on to another person to complete.

An activity we are starting in December is called "Tuesday Tunes", where classes will have a chance to name the Christmas song played on the announcements every Tuesday in December. Listen closely to the announcements to hear more.

We would also like to wish everyone a safe and happy holiday season!
