STUDENT OF THE MONTH

Grade 7 - Quaid Finlayson

Quaid has been chosen as our Student of the Month for his dedication, kindness, and all-around positive attitude. Quaid is a hardworking student who consistently puts effort into everything he does, both in the classroom and on the baseball field. He is focused and determined, always striving to improve his skills and knowledge. Quaid is also a thoughtful and inclusive friend, making sure everyone feels welcome and supported. He gives his best effort in class each day and takes his studies seriously, showing a strong commitment to learning outside school hours. Keep up the amazing work, Quaid!

Grade 8 - Olivia Schellenberg

Olivia Schellenberg is our Student of the Month for her outstanding work ethic, positive attitude, and willingness to support others. Olivia consistently puts her best effort into every assignment, quiz, and test, demonstrating a deep commitment to her learning. She works extremely well in class, staying focused and determined to do her best each and every day. Beyond her academic efforts, Olivia is a kind and encouraging presence in the classroom. She is always willing to lend a helping hand to classmates who are struggling, and her positive energy lifts those around her. Olivia sets an excellent example for her peers and is truly deserving of this recognition. Way to go, Olivia!

Grade 9 - DB Greyling

We are pleased to recognize DB as our student of the month. Although he is new to our school, he has quickly become a valued member of the class community. With his outgoing personality and positive attitude, DB has made connections with his classmates and brought an uplifting energy to the classroom. DB consistently puts forth his best effort in all his work, demonstrating dedication and a strong desire to succeed. Keep up the great work, DB!

****Student of the month winners can pick up their prizes at the office!****

LIBRARY

The library is getting new books all the time so make sure to stop by and check them out. Please return or renew your library books that are overdue.

Don't **hog** them as they are meant for everyone to enjoy!

SCHOOL COUNCIL

SUPPER/MEETING

MAY 12th, 2025

@ 6:00 pm

VAUXHALL HIGH SCHOOL

STUDENT COUNCIL

Student council hosted an Easter egg hunt in the school in April before the break and it was chaotic fun! We also hosted a hot lunch fundraiser, with money going towards our end of the year event. Stay tuned for more details about an outdoor movie night coming in June to celebrate the end of the year!

DRAMA CLUB

We would like to thank everyone who supported our drama club's performance of "Peter Pan"! We had a great year with an amazing group of students and are looking forward to next year.

BluEarth Renewables Scholarship Program - Now Open!

On behalf of our local solar facilities, we wanted to let you know that we are now accepting scholarship applications for the BluEarth Renewables Scholarship Program. The program provides scholarships to post-secondary students with a focus on students in close proximity to where we live, work and operate.

We currently have three scholarship categories available to students:

- **Community Leaders Scholarship:** Building strong communities relies on many people. This scholarship is awarded to students who demonstrate a commitment to giving back to their community and making the world a better place for their generation and generations to come.
- **Renewable Energy Trades Scholarship:** We are committed to helping grow the renewable energy sector and supporting the skilled workers who will lead the way. This scholarship is awarded to students enrolled in a renewable energy trades program.
- **Indigenous Peoples Scholarship:** As part of our commitment to building mutually-beneficial relationships with Canada's Indigenous communities, we award scholarships to Indigenous students to help develop their skills and knowledge in the renewable energy sector.

Successful candidates will be provided with financial support of up to \$3,000 for the academic year, as well as the opportunity to be matched with a BluEarth mentor and learning partner for two-way communication to inspire, challenge and motivate. Applications are reviewed by our selection committee based on the case for financial support, academic merit, community involvement, pursuit of studies that could be transferable to the renewable energy sector and/or environmental stewardship, and proximity to the locations where we live, work and operate.

Additional information and our application form can be found online at: www.blueearthrenewables.com/scholarships. The application deadline is **September 15**.

Any assistance you can provide to share this scholarship program with local students would be greatly appreciated. If you have any further questions, please reach out to me directly.

Best regards,

ANNA POLASEK (SHE | HER)
